Thanks to continuous research and development in new techniques and new collections, Bestile has been awarded four times with the prestigious prize ALFA DE ORO granted by CEVISAMA, the International Ceramic Exhibition (Valencia, Spain) 2008, 2015, 2017 & 2020.

# Global creation

BESTILE provides sophisticated design ceramics, with a concept of total quality, pursuing the complete customer satisfaction and guaranteeing our best design and innovation.

Through aesthetic creativity and a high level in the manufacturing of all our products, BESTILE has reached households all around the world by always offering the highest excellence of the product. Bestile is living a consolidation period, that is a consequence of our latest efforts. Nowadays, Bestile keeps on being a pioneer and a reference in innovative products and production technologies.

This consolidation is based on:

- \_Experience and control of the latest technologies for decoration, agility to respond to news developments.
- \_Complete renewal of the product range and continuous research of innovative products.
- \_Respect for the environment and collaboration with the society in which our activity is carried out, in a permanent exercise of social responsibility.
- \_Continuos research and development in new techniques and new collections.
